Ready, Set, Grow! Workshop

Saturday, September 21st, 2019

1:00pm – 5:00pm

This workshop will help you prepare your garden for winter while maintaining a natural habitat and keeping winter interest. We will also cover pruning tips, easy winter sowing to extend your growing season, the best way to collect seeds and how and when to start seeds in the spring.

- Fall Garden Planning
- Pruning Tips for Trees & Shrubs
- Winter Sowing Your Veggies
- Seeds: Collect Now, Sow Later
